## WILL RAILROADS CARRY BOOZE NOW OPEN TO QUESTION

Big Question Partially Settled, But Will Thirsty Ones Be Able to Get in Their Supply

A large portion of the population of Phoenix inclined to take a drink now and then, heaved one great sigh of relief yesterday morning, when The Republican informed them that it was no longer illegal to ship in intoxicating liquor.

It was claimed around the streets, that the wires of the telegraph company were overloaded, carrying rush orders for shipments large and small. In fact it was also asserted that the wireless was worked quite hard.

The question that has now arisen is whether the railroad companies and the Wells Fargo Express company will carry the shipments, for some time past they have been refusing to touch a thing that looked wet.

In fact the Wells Fargo have a basement full of perfectly good booze in their station at Los Angeles, which held there for shipment into Arizona.

When questioned on the proposition last night, General Agent Goldworthy of the Santa Fe, Prescott and Phoenix, stated that he was unable to say what the attitude of his road would be. A copy of the decision had been rushed to the legal department and pending a reply from that source, all shipments would be held.

General Agent Gatter of the Arizona Eastern, when interviewed on the subject, was a little more inclined to be liberal on the subject, and was of the opinion that his company would accept shipments into the state. He also stated that he would await with interest the decision of his road's legal department.

Whether or not the Wells Fargo will carry liquor, could not be ascertained last night. It was the consensus of opinion about town, that no difficulty would be encountered.

There was quite a general celebration on down town streets Saturday night. In fact it looked as if the saloons had opened again. There were few arrests for drunkenness, but at the same time liquor was evident to a considerable quantity in several quarters.

## WOULD CLOSE ALL STORES ON SUNDAY

Petition to be Presented to Council at Meeting Tonight. Opposition Expected

That there will be a lively time at the meeting of the town council to-night when the petition calling for a general closing of all merchandise houses on Sunday, comes up for attention, seems probable. The petition as prepared asks for a closing of clothing stores, grocery stores, meat markets and the like, and is signed by a good sized representation of the business houses in the town. If an ordinance to this effect is passed, the observance will be required of all stores within the city limits.

The regular meeting of the town council was set for last Thursday night and the petition was ready for presentation then but there was not a quorum present and recess was taken until tonight.

INTER-TOWN GAMES  
Tempe's new school ball club, both defeated in contests with Mesa continuing last Saturday will try their luck with each other during the course of the next week. The present schedule calls for a game between the pedagogues and the Tempests on the high school grounds Friday evening of this week and then a return game will be played on the Tempe diamond Saturday night.

OVERLANDS SELLING  
The sale of Overland machines on the southside continues popular, according to the report being hung up by S. Z. Earle. Three sales were made last week; one to Mrs. Jolp Derrick at Chandler, a 6 cylinder seven passenger to J. L. Enteken at Chandler, and a Wyllys-Knight to Dr. E. W. Wilbur of Mesa.

SOCIAL TEA  
The Ladies Aid society of the Congregational church will hold its February social tea at the home of Mrs. Earnest Schmidt, who will be hostess on Wednesday afternoon. All women of the church and the congregation and friends have been cordially invited to attend.

VALENTINE MASQUERADE  
Tonight is the occasion for the Valentine Masquerade ball under the auspices of the Jolly Dozen Club at the Commodore hotel. The elaborate arrangements for the affair have been made. Something new and something always of the utmost pleasure to the participants has been the club's standard and this winter's series of affairs have been all of that. That there will be pleasure and enjoyment for all who attend the masquerade ball tonight is readily vouchsafed.

DEPART FOR PANAMA  
Don L. Antonio and Mrs. Antonio and baby left Saturday night for Mr. Antonio's new station at the Panama canal zone. En route they will visit a few days in San Antonio, Texas and will take the boat at New Orleans for the canal.

HOME CLUB ENTERTAIN  
Another of the popular and ever enjoyable home club dances was given Saturday evening in the Commodore hall. A dozen or more couples participated in the evening's program and a splendid time was reported by all.

MANY HEAR BAND  
Perfect weather and perfect music again contributed to the enjoyment of yesterday afternoon's concert by the merchant's band on the plaza. It was a glorious afternoon, weather of the mid-spring time variety, and a large crowd of town people and visitors listened to the program.

AMUSEMENTS Today In Tempe

"DIAMOND FROM THE SKY"  
"The Diamond from the Sky" is tonight's star attraction at the Tempean theater. The popular serial has proven a big drawing card and each Monday night since the first installment was run three weeks ago, almost capacity houses have been out to witness its presentation. Tonight's program also includes four other reels of comedy and drama.

"STINGAREE"  
The first of the Stingaree series opens at the opera house tonight. It is styled "An Enemy of Mankind" and is said to be one of the most remarkable stories from the pen of that gifted writer, E. W. Horning, he has seen fit to release. The Stingaree series will be shown each Monday night at the opera house, and while there are two reels in each installment, there is no connection between them. Four other reels will be run tonight and still a bigger feature is the awarding of the prizes in the baby contest which closed Saturday night. The slides of the baby pictures that have been run each night at the opera house will be presented to the parents after tonight's showing.

Creighton News

Mrs. Bruce McKill, who has been confined to her bed for several days, is now able to be about again.

Mrs. Wilson's father, Mr. Ozanne, of Tempe, died last Tuesday morning and the neighborhood extends its sympathy to the bereaved family.

The report comes from McPherson, Kan., that Mr. Burton, who spent part of the winter in this valley, and who with his wife was a frequent visitor at the Bixby and Mackey homes, has been more or less seriously hurt in a runaway accident. His team started to run away while he was out of his mail wagon, and though he succeeded in getting hold of the lines, he could not stop the horses until they had dragged him quite a distance and bruised him up badly.

The school report for the first five months of Creighton school is as follows: Whole number of days attended in the four rooms 9766; whole number days absent, 4405; cases of tardiness 159; boys enrolled 83; girls 53; total 136; average number belonging 104.58; average daily attendance 102.89; per cent of attendance 96. Considering the wet weather and some of the very bad roads over which many of the children had to come, this is a very good report. We have twenty pupils from other districts who pay tuition to come to Creighton this time.

The open meeting of the P. T. A. Friday evening, was a most decided success, and the auditorium was crowded. Mrs. Woodbridge, the president, was in the chair, and after "America" was sung by the assembly and the Rev. Mr. Scriver had led in prayer, the roll was called, about 100 members responding. After the minutes, Mrs. Woodbridge announced that Mrs. Barry of the Wilson P. T. A. had again extended an invitation to the Creighton P. T. A. to visit them at their next meeting, Feb. 18. Hoping that no flood would interfere this time, the invitation was accepted.

Mrs. Mackey's report on the "hot lunches" was received with a cheer. There were 1925 lunches served during the month and \$6.56 the amount cleared, part of which was spent for 2 dozen bowls, a broom, a clock and a mouse trap. Mrs. Scriver presented a plea that the Creighton teachers be given one day a year for the purpose of visiting other schools and studying the methods of other particularly successful teachers of the same grades they teach. Carried.
